October 14, 2010 Meeting Minutes

Hostess: Debra Plymate, Independence Public Library

Attendees: Debra Plymate, Kim Lansdon, Bev Clark, Debbie Origer, Marilyn Husser, Jeanne Wildman, Judy Yerian, Mary Gibb, Trish Hanna, Mary DeCanter

Welcome & Intros: Meeting began at 7:05 pm.

I. Minutes: None available since there was no meeting in September (Section Meeting in Boise) and the August meeting was at Lorraine Gabel's hangar to receive gift of Aerospace Education materials she and Mary DeCanter used for the Youth Aerospace area at the Oregon Air Fairs.

II. Treasurer Report: Bev reported that the account balance is \$1684.05.

III. Chapter Business:

- A. Quilt Project is well along.** 36 blocks are needed and most of them have been turned in.
- B. Membership.** There are 23 members, with one on stand-by (Carolyn Rogers).
- C. NW Section Meeting in Boise** had two really great speakers: Astronaut Barbara Morgan STS-118 Crew Member in 2007; and Lieutenant Colonel Kathy Hughes AF Pilot/Flight Surgeon gave a presentation on the Stinson sisters.
- D. NW Section Awards.** Congratulations to Jeanne Wildman for winning the Spinning Prop Award (most non-commercial hours flown this past year), and congratulations to all of us for being awarded the Aerospace Education Award (determined by data collected and submitted by Chairman Debra Plymate on the Chapter Safety Education Report)
- E. Girl Scout Aerospace Badge Program.** Marilyn reminded everyone that the date for this event is April 16 (Sat) from 12 pm-4:30 pm. Put this date on your calendars and plan to sign up to do one of the stations. Debra, Debbie and Marilyn met awhile ago and agreed upon a general format to use that will meet the Badge Requirements, but will provide more hands-on "real" experiences than required. More info at our next meeting.
- F. Letters of Appreciation** from Kay Chaffey and Idaho 99s shared by Debra.
- G. Breaking Through the Clouds** (Movie about the 1929 Womens Air Derby provided by Patty Du Toit, great-niece of Phoebe Omilie) was shown at the Independence Riverfront Park and was well worth seeing, not many in attendance.

IV. New Business:

- A. Compass Rose Tile.** It was moved and seconded that we send \$50 to the NW Section Compass Rose Tile fund for the purchase of a gold patio tile at 99s Headquarters. Passed unanimously.
- B.** It was moved and seconded that we send \$99 to 99s Headquarters for the purchase of a standard patio tile in our name. Passed unanimously.
- C. WASP** memorial contributions were discussed briefly, but more information was needed. Trish volunteered to do further research and report back to us.

Program: Oregon Pines Yearbook by Debbie Origer. Debbie explained what she planned for the yearbook and gave us directions on how to do paired interviews so that we would have our BIOS to include with the pictures. We spent the rest of the meeting interviewing each other and finished by sharing one tidbit learned with the whole group.

Meeting adjourned at 9 pm.
